Princeton Defense Committee

ROOM 1625, GRAYBAR BUILDING

NEW YORK CITY

March 1, 1928.

Dear Brother Minister and Elder:

The ministers and elders whose names are printed on the following pages represent every section of the country, and most of the synods of our Presbyterian Church.

We are united for the purpose of presenting a Petition to the next General Assembly meeting, in May, at Tulsa, Oklahoma. You will find the Petition on the following page.

We request you to read it carefully. If you approve of the content and purpose of the Petition, we ask you to sign the enclosed postcard and mail it at once. We will then add your name to the petitioners for presentation to the Assembly at Tulsa.

The widespread interest in the subject-matter of this Petition you will recognize when you read the names and addresses of those constituting this Committee. The General Assembly, being a representative body which must deal with this important question, will be glad to know the opinion of the thousands of ministers and elders who cannot be present, or a member of the next Assembly.

Therefore, you will be rendering a valuable service by mailing the enclosed card at once.

Thanking you for this service to our Church, we are,

Fraternally yours,

THE PRINCETON COMMITTEE OF ONE THOUSAND.

A Petition

To the One Hundred and Fortieth General Assembly of the Presbyterian Church in the United States of America.

The undersigned, ministers and elders of the Presbyterian Church in the United States of America, contemplate with alarm the possibility of any change in the Plan of Princeton Theological Seminary which would interfere in any way with the control of its spiritual and educational policies by the Board of Directors.

The noble conservatism of the institution, its valiant and trenchant blows in defense of evangelical Christianity as understood by us and by our fathers, and its steadfast adherence, in the midst of a world of doubt, skepticism and mysticism, to the full truthfulness of Holy Scripture and the simple faith through which alone men can be saved—these qualities have been due solely to the wise conservation of the Board of Directors in selecting a faculty which would not lapse into modern vagaries, but with learning and ability would defend and propagate the faith clearly expressed in our Confession.

The present Faculty carries on the best traditions of the Alexanders, and the Hodges, of Green, Warfield and Patton. The only offense laid to the charge either of the Faculty or of the Board of Directors is excess of zeal for the purity of the faith. Is this a time when such a charge can safely be entertained by the Church? When there is rampant everywhere in the world, and even in some parts of our Presbyterian Church, denial, doubt, or disparagement of the virgin birth of our Lord, the miracles which He and His apostles wrought, the reality of His resurrection and the veracity of the Scriptures as a whole—when such things are found, is it a time for the Church to abolish the Board of Directors for strongly and earnestly believing in and defending the truth of the Bible and the gospel that the Bible contains?

Shall the control of Princeton Seminary be disturbed at such a time as this? We believe that it is dangerous, and injurious to the best interests of the Church and of Evangelical Christianity.

We, therefore, the signers of this Petition, earnestly pray you to reject the reorganization of the Seminary recommended to the General Assembly of 1927 by the Special Committee to visit Princeton, and thus to leave the control of this great institution where it now resides.

REV. CHARLES L. EVARTS
BIBLE INSTITUTES

OBJECT:
TRAINING PERSONAL WORKERS

At home - for a few days rest:
35 Frothingham St. Milton, Mass.

March 5 - 1928

Dear Brother Robinson:

Do you happen to know Rev. Jesse S. Lonsinger, 608 East Westmoreland St. and Rev. S. H. Leeper, (Media church) both of Philadelphia. These are Presbyterian ministers and have influential churches. Mr. Bookmeyer has interested them in this training work I am doing and I have written them giving them the option of a week each.

A letter from you, to them, stating that you understand that they have a chance to have one of the Institutes might help a lot. A commendation from one who has just seen the work might help them in deciding as to the wisdom of having it there, but do not do it if you are extra busy just at this time.

I also would be glad to get a line from you, and with any other news would like to know how the work under Dr. Black came out. I sincerely trust that you all got a lot of really converted members as a result of that movement.

I had a splended work at Philadelphia (1st. Baptist) last week. I begin next Sunday with the churches of South Norwalk, Conn. will be there a week and then hope to go to Philadelphia with these Presbyterian churches.

Rev. Stanley V. Bergen (2168 East York St.) pastor Union Tabernacle Presbyterian church, Phila. heard me give an address recently and seemed much interested, Do you know him also?

Hope this finds you all well; kindy remember me to all in the Manse, and friends at the church.

Cordially yours,

C. L. Evarts

If you write - Lonsinger - Leeper & Bergen - you might say that "you learn that Mr. Bookmeyer has suggested may bring with them" &c &c" -
Hope the testaments are selling well - If not, and you wish to ret. them, let me know and I'll send mailing directions - C.L.E.

My dear Mr. Robinson:

Your letter, so full of graciousness, was on my desk awaiting me when I returned from Pittsburgh last evening, and I thank you warmly for it. It means much to me to have you write as you have written, and I want you to know of my deep appreciation.

Your letter to Mr. Wiltsie is as fine as it could possibly be, and with your permission I am going to use a part of it in one or two letters that I am writing to other people. I would like to quote what you say and your estimate of the work we are doing. I am sure it will be a great help.

Your helpfulness here was appreciated not only by myself but by every person on the campus as nearly as I can gather. Our students and faculty have not forgotten you or the message you delivered, and they would with one accord vote for you to return some succeeding year. You helped us all. Thank you once more from the fulness of my heart.

I am just back from Pittsburgh, as I stated, where I spent a strenuous week with some little success, though not as much as I had hoped for.

I appreciate your willingness to come to Rochester when we have our meeting there in April. I shall let you know beforehand in enough time so you can make arrangements to be there. I shall by all means count on your being present. What you say in our behalf, having been over the ground and observed, will be more effective, I am sure, than that which I would say because, naturally, I may appear to some to be prejudiced. I think a great deal of the old college, however, and am sincere when I speak highly of it.

My plan now is to leave early in the week again going to New York and Philadelphia for some little time. I am hoping to get in touch with someone who will give us a real lift in our endowment project, but it is quite a task.

With many thanks and with all kind and hearty greetings, I am

Cordially yours,

C. O. Gray

Dear Friend:

"The Monday Noon Club will meet on Tuesday this year." Beginning Tuesday, March 13th, Dr. Stewart W. Robinson, Pastor of the First Presbyterian Church of Lockport, New York will address the club with the first of a series of four talks on the subject "Four Short Tests of Christianity". Dr. Robinson comes to us as the Pastor of one of the largest Presbyterian Churches in the country. He is a young man and will be able to hold your attention during this Pre-Easter series of meetings.

All meetings will begin at 12:00 with one of Ethel Ralston's 50¢ dinners. At 12:30 sharp Dr. Robinson will speak - (Tuesday March 13th - his subject will be "Does it Work") - and the meeting will adjourn promptly at one.

Since there will be but four of these Noon Meetings this year, we are especially anxious to fill the auditorium to capacity each week. Dr. Robinson is well worth coming to hear. We urge you to take your calendar or date book this minute and "red letter" the next four Tuesdays. Remember the time - noon - and the place - the Y. M. C. A. Auditorium.

Cordially,

Dr.Chas.L.Evarts,
35 Frothingham St.,
Milton, Mass.

Dear Doctor Evarts,-

I was very sorry not to have time when in Phila. to get in touch with you. I arrived about noon and left that evening at 8:40 and was occupied all day with Father and Mother who have been there for a month, while Father has been preaching.

I do not know any one of the three men you name. I have heard of Leeper and Bergen. The latter, by the way, is a brother of the pastor of the Congregational church in this city, and is a man who is seemingly not at all interested. At least he did not show it so far as our meetings were concerned.

Dr.Black was here and I think the two Methodist churches got some members out of their week. One of the laymen remarked to me, the man, who thought your address was the best thing he ever heard, that in his estimation the converts would need a bit of picking over, before they were salted down into the bosom of the church. We did not get into it very heavily, partly because I was out of town all the week before Black came, and half of the time while he was here. We are culminating our effort at Easter and so did not try to carry out his plans to the letter.

I have sold two of the Testaments. They will all go in time undoubtedly. Every week one goes. But if you have any need for them, I can send on the balance and then ask for some back if there is a call in the future.

We enjoyed your coming, and I think it did great good. The whole idea was rather new to our people, but I think those who came were pleased and received a blessing.

With kindest regards, I am,

Very sincerely yours,

Rev. Stewart M. Robinson,
50 Spruce Street,
LOCKPORT, N. Y.

Dear Stewart:

Your letter of March 15th does not please me at all in many particulars. You probably know me by this time as a persistent customer, and accordingly I am coming back at you in regard to the 29th of March. I think that you are suffering at the moment from an over-dose of conscience. Do you think that it is going to hurt you just for one day to slip away from your arduous toils and have an evening of fun? I will either come over for you or send the car over for you so that you will lose only half a day at the most from Lockport, and you can go back the next day and arrive the next noon. You wouldn't do any work in the evening, anyway (?) so why worry about it?

You will only miss part of an afternoon and part of a morning. This plan I submit as an option to the plan of coming straight here from Youngstown, Ohio. So think that one over and let me have your views on it. I am urging you to come because all the boys feel so keenly about it.

I note with a great deal of pleasure that you are going to be in Toronto April 29th and 30th for the Rotary District Convention. It will be wonderful to see you <u>again</u> then, not to mention the Rogers'.

Dear Stewart:

Just to dash off a line to confirm our "arrangement" in connection with the banquet to be held, we think, on Thursday evening, March 29th. The boys will have it no other way but that you must be on hand and I assure you that as far as we are concerned at Dentonia -- well, you know how we feel.

So much for the present. With much love to Ann,

As ever,

March 15th 1928.

Mr.Denton Massey,
915 King Street West,
Toronto, Ont.

Dear Denton:

You embarrass me exceedingly by you very kind invitation. You came back with such a wallop and so generous an idea that I am distraught. I laughed a lot when I heard over the radio of last year's banquet and how very well the class was able to do in the matter of short speeches etc. Mr.and Mrs.Rogers were intensely interested in the whole service. I happened to drop in there on an errand just about 3 o'clock. Without being able to remember the exact name of the church, the address, or the station or wave-length, I got through to you in fairly short order.

I ought not to come over. I am away from here one day each week now speaking in Youngstown, Ohio. There is a enormous amount of work to be done about the place. We are just about to get into our new building etc. etc.

I'll send the gang a wire that night, and I do greatly appreciate their kindness in thinking about me. I remember with pleasure that I am a member of the York Class, read the news letter each week, and hope to see them soon.

On April 29th and 30th the Rotary District Convention meets in your fair city, and possibly I may be able to come over. The Rogers will undoubtedly come. That man Skeggs, who just dropped in one evening you were here, is a "gold hatter" in Rotary and a speaker at Toronto. I am speaking for him each week in Ohio.

We are certainly getting lonesome for a sight of you. Can't you tuck Esther into the car and "bootleg" yourselves over for even "tea". Give our very best to the family, and please forget me as a liability for what will otherwise be the finest banquet you ever had. Give me very sincere regards to the Class next Sunday.

Yuours most sincerely,

My dear W. Robinson,

If my memory serves aright you mentioned about printing in connection with the Holy Week Services and meetings - Should this be right it would serve any useful purpose to announce subjects - the following have come to mind as one has sought the Lord's guidance :-

Sunday - April 1 - a.m. The Apostles 3fold Affirmation
p.m. The Experience of Enoch

If a young peoples message is desired - morning or afternoon - "How little is much when in the Lord's hands" could be the topic.

Monday - " 2 - The Companionship of Christ
Tuesday - " 3 - The Meaning of "Master".
Wednesday - " 4 - The Certitude of Answered Prayer
Thursday - " 5 - The Fulness of GOD's Will
Good Friday - " 6 - The 'Peculium' of Christ

We arrived here on Saturday from Los Angeles where we had very cheering times. Sunday last it was my privilege to speak in Dr. C. I. Scofield's old Church. Tomorrow there will be the opportunity of a message to the Students

at Dr. Chafer's Seminary as well as one from the Broadcasting Station here.

Thursday we leave for the Moody Bible Institute D.V. from where I shall be coming to you alone. My wife will be remaining at Chicago where I return on the 7th to take part in the Missionary Conference at Moody Memorial Church on Sunday & the following days. My wife is sorry indeed to miss this visit but do hopes the way may open for us to take your way again before we return to England.

The Moody Institute people have asked me to take a share in some of their Summer Conferences & we have been led to send an affirmative reply so that we shall be here well into the Summer.

Our thoughts are with you continually & we do so hope Mrs Robinson is keeping well - as also yourself & the bairns. Prayerfully looking forward to my prospective visit

Believe me

Yours ever faithfully

Harry Farmer

March 23rd 1928.

The Rev.Harvey Farmer,
Moody Bible Institute,
153 Institute Place,
Chicago, Ill.

My dear Mr.Farmer:

Your kind letter was most keenly appreciated. Time certainly flies along. It seemed so far ahead when we discussed your return, and here it is at hand, and we have all been kept in safety and health.

We shall be sorry not to have Mrs.Farmer, but I can easily understand her desire to remain in Chicago, since you are going back there. I rejoice at the splendid opportunities you have had, and know how much the hearts of God's people have been ins ired by the words which you have been able to bring to them.

I was glad to have your subjects, and what fruitful thoughts they suggested to me. I know a rich feast awaits us all.

We shall look forward to seeing you sometime on Saturday, the last day of March. A night train out of Chicago will put you in Buffalo in the morning sometime. I hope you have become somewhat accustomed to our long distances here in America.

With prayers and thanksgivings, I am,

Very faithfully yours,

P.S. Please give Mrs.Farmer our warmest regards.

March 25th 1928.

Dearest Folks:

Miss you much. To-day is quite some different from last Sunday so far as the weather is concerned. Enclose copy of our list of special Easter doings. Dass is speaking in Buffalo to-day I see by the paper. Preaches am and pm at Bethlehem Pres.Ch. This afternoon at mass meeting in Consistory, to-morrow at luncheon before Christian Laymen's League (old Billy Sunday Club) and to-morrow night at some Baptist Church. Sorry I can't go up, but was not able to do so, to-day and have noon-time meeting to-morrow and go to Youngstown in afternoon, to avoid the late night trip, which was getting a little tedious.

Have 42 salted down for joining, and as many more look in all reason like sure enoughs, but never can tell. Friday I went around and picked up ten new members. Six of them were letters that I had no real thought of getting, just braced them and they were all willing. I find I can get a long way by a number of little touches, not trying very hard to push a decision. Then casually by a kind of back hand stroke I knock them over into the fold.

Our officers have generally backed the 3 to 5 per cent. game, and we are quite pleased about it. I would never have thought they would do it. Have received three letters from Princeton men wanting to come here for the summer. Feel I ought to go down and see the cusses, because I am c rtainly getting leery of importing anyone into this place until I have seen him. Five minutes before my eyes and I can tell whether he will go or not, but almost no amount of letter writing convinces me. Significantly two of the applicants refer me to Das and Ozzy Allis, the other mentions no one. But he sounds like the best of the three, is graduating, has been two years in Nova Scotia, has his M.A. etc.

We did enjoy having you with us. If Fox can send me 15 copies of his pamphlet I can send it to each of our elders with a letter. I think I can get most of their names for the petition.

Sometime, I guess I will have to wait until I get to Delhi, I want to go over the old minutes of the Assembly and collect the data on our church here. Some time when I have the spare time, I am going to work out a little study as revealed by the recorss through the years, it will be interesting to keep and useful for instruction purposes in the congregation. It is too much to ask Fox to gather it out, unless time hangs very heavy on his hands. What I want is year, pastor, members, total church expenses, total benevolences. Your file is Old School and the Lockport Church drops out in 1870. Those old tomes are worth keeping, before long our family will have a hundred of them.

Loads of love.

Dear Denton:

I am mighty sorry not to be able to get over to the banquet to-morrow evening. A plenary session of our Bible School organization under the leadership of your friend Mr.Rogers is slated, and the Preacher will have to be present. A real effort was made to set it on another day but failed.

Please give my cordial greetings to the Class. It has grown so in size and influence that it will hardly remember me, but give my good wishes just the same. I think some of the old guard are still at the helm, and therein is the promise for a big future. You have a wonderful organization and I feel sure that those you draw to you will be of the same kind and increase your strength.

You are kind enough to suggest that I speak to the class on April 29th. If you really want to chance it I can work that out. The Near East Relief people are very anxious to present their problems to our people. I think I can have them here April 29th. That would release me to come over Saturday. I don't think we could ever have such good luck again on that "air-plane" trip as we had last year. At least that cop would not have his back turned or there would be more traffic or something.

We are having meetings every evening next week. Our new building is just about complete. The fiscal year of the church is just ending, and alto-gether there is work enow. Returned late last night from Youngstown, Ohio.

Please give our very best to the family. It would be great to see you over on this stormy lawless side of the border. Remember me to Miss Peter.

Yours most sincerely,

March 29th 1928.

Dear Len:

Back on the regular job. Had a fine time with you and enjoyed the trip, best of the three. Naturally because I saw your nice place and the Wife and Kids. The best part of every man is his wife and kids.

The thought comes to me that possibly after next week and Easter 'en all, a fourth of these Tuesday meetings may seem like an anti-climax. If it does, please feel perfectly free to call it off. From the point of view of your series, next Thursday would have been better. But that was impossibly for me, and a different day of the week etc.

Unless I hear from you I shall plan to come out on the Tuesday after Easter, but as I say, decide what you want to do quite independently of me.

Best regards to everybody,

Yours as ever,

LOCKPORT, N. Y.

Dear Stewart:

We were all so, so sorry that you could not be with us last Thursday evening, which I know you will be pleased to learn was a tremendous success. It is my pleasant privilege to convey to you the sentiment expressed by a long and hearty applause when I asked the boys that evening if they would express to you some token of friendship and goodwill, and also regret that you could not be there. Now don't turn round and say that the applause was because you were not there!

We are all looking forward so much to the 29th. I think it is great of you to come, and I do hope that we will have a little better weather this time.

With kindest regards to Ann and all the family, not to mention the Rogers et alla,

Sincerely,

Denton
